 - 2.10.2 A team's official roster consists of those players listed with the Regional Coach Administrator as active participants on a team.

The players must not leave the field and the coaches must not enter the field.
 - 6.8.2 Coaches may substitute as many or as few players as desired at each of these breaks in play as long as every player present has played at least the minimum required time at games end.

- 6.9.1 Substitutions by either team may be made when the ball is out of play for a Kickoff or Goal Kicks. - 6.9.3 A player sent off (red card) may not be replaced.
- 6.9.4 Except as previously noted for late arriving players, everyone plays a minimum of half a game. If it is discovered that a player has not played the required minimum time, the offending team may be required to forfeit the game. It is the coach's responsibility to see that the players play a minimum of a half game.

9.0 SPECIAL RULES FOR U5, U6, U8, AND U10 DIVISIONS

9.0 SPECIAL RULES For Under 5 (U5) DIVISION

The effective date of age determination shall be the player's age as of September 1st of the year that the season commences. Players that have reached the age of four as of this date are eligible to participate. Every effort shall be made to have separate girls and boys divisions. The U5 program consists of one day per week of the Jamboree One with One program for 8 weeks.

9.0.1 ORGANIZATION:

Jamboree One with One is the combination of two different formats that, put together, will provide the best possible introduction to soccer for our youngest players. In AYSO soccer, a jamboree means that teams are formed on a weekly basis depending on how many players attend a given session. One with One refers to the concept that each player will have a parent (or other adult) working with them on the field. A "Master Coach" will lead each session. The "master coach" will introduce a game/activity that will practice a certain skill or part of the game using explanation and demonstration. Each pair (player/parent) will then attempt the activity while the master coach circulates between pairs providing specific help or suggestions so that the activities are performed as intended. After a suitable amount of time, the "master coach" will bring the parents and players back together as a group and recap what they have done, introducing the next game/activity.

Each Jamboree One with One session will end with a 20 minute short-sided game (3 v 3). Details regarding the game are explained later in this document. Most importantly allow the players to play without coaching or teaching them as this experience is designed to expose them to soccer, not to begin developing them. Two goals of the program are to allow the players to enjoy the activities and to let the game be the teacher.

9.0.2 MASTER COACH:

The master coach should be certified (at a minimum) as an AYSO Advanced Coach and Advanced Coach Instructor. The Regional Coach Administrator shall work with the Regional Commissioner to determine the most qualified (and willing) instructor.

The master coach is “in charge” at the field! He/she will introduce and demonstrate each game/activity, then circulate to help the parents as they help the kids, providing all with a positive learning experience.

9.0.3 AYSO U-5 PROGRAM GUIDELINES:

3 V 3 Game set up and Guidelines

Each player in the U-5 division can receive a uniform, since it is part of the fun to get dressed up for “the big game”. Having fun will make the kids want to come back. The uniforms should be identical for all players. Each week before the game portion of the day begins, players will be divided into groups of 4 (3 on the field with 1 substitute/reserve). Based on how many players arrive, pennies (different colored “vests”) to differentiate the “teams” for games for a particular weekend will be used.

9.0.4 SESSION SCHEDULE:

Sessions should last one hour and fifteen minutes including organizing time and breaks- NO MORE.

10 minutes - Group Warm-Up and Activities

5 minutes - Water Break

20 minutes - Training Activities and Games

10 minutes - Team organizing and water break, assigning players to teams and assigning field locations

9.05 GAME:

20 minutes 3 v 3 Game

5 minute – Half- time

During the game, one parent from each team should be selected to act as the game supervisors for the week. These parents should only be required to keep the game going. All other parents should be encouraged to cheer positively and refrain from “coaching” (giving directions) from the sideline.

This is the time for the kids to play – LET THEM!

9.1 SPECIAL RULES For Under 6 (U6) DIVISION

The U6 Division will be guided by the “SHORT SIDED GAME SUMMARY” (see 25.0 APPENDIX) plus the following for the conduct of matches within the Region:

9.1.1 Player safety will be the prime consideration.

9.1.2 Games will be played in accordance with the FIFA Laws as modified by AYSO with the following exceptions:

9.1.2.1 Offside will not be considered a foul.

9.1.2.2 An incorrect throw-in will be re-thrown one additional time by the same player after receiving instruction from the referee regarding the correct procedure. If the second throw-in is also incorrect, play will proceed without stoppage by the Referee.

9.1.2.3 No Goalkeepers will be used so players can experience and improve their field playing techniques. Players will only be allowed into a clearly defined “no camp zone” when the ball is on the same half of the field as the “no camp

zone". Players should be instructed to move with the flow of the game (transition), and not to "camp out" near their own goal.

9.1.2.4 One coach from each team will be allowed on the field of play. The coach must stay on his team's defensive end of the field and may not go past the halfway line. The coaches are there to teach attacking and defensive transition skills and must not interfere with the play or the Referee. U6 coaches will move off the field and coach from the touchline after the first 5 games. When coaching from the touchline the Coaches/Assist. coach must stay near the halfway line in an area demarked by the edge of the no camp zones nearest to the center circle (don't wander up and down the entire length of the touchline).

9.1.2.5 Except as previously noted for late arriving players, all players will play an equal playing time in each match. (see 6.3.1).

9.1.3. Discipline:

9.1.3.1 Yellow or Red cards must not be shown to players - only verbal warnings are to be used. A second verbal warning may result in a player being sat out for a period of a few minutes to a period not to exceed the remainder of the quarter. The player will be substituted. The player will be escorted to the coach by the Referee. The purpose of a sit out at this level is to provide an opportunity for the coach to provide appropriate instruction to the player so that the player may return to the game and play appropriately.

9.1.3.2 Only repeated dangerous play will result in a player being removed from the game. The player will be escorted to the coach and the player will be substituted. The player need not leave the playground. Red cards are not to be shown as stated in 9.1.3.1.

9.1.3.3 Coaches are subject to being cautioned or sent-off by the Referee per the Laws of the Game.

9.1.3.4 Uncontrolled behavior of parents or other spectators will not be tolerated and may result in the coach as well as the spectator being cautioned and/or sent-off and/or the game being terminated or suspended.

- 9.2.3 Discipline:

The Player may be substituted if the coach wishes the player to sit out for the remainder of the quarter. The player will be escorted to the coach by Referee. The purpose of a sit out at this level is to provide an opportunity for the coach to provide appropriate instruction to the player so that the player may return to the game and play appropriately.

10.0 GOOD SPORTSMANSHIP

- 10.1 Good sportsmanship is a vital element in the AYSO philosophy. All coaches and officials are expected to demonstrate and reward good sportsmanship whenever and wherever it is found. Likewise, poor sportsmanship by players, coaches, parents, and spectators will be strongly discouraged. Disregard may result in disciplinary action being taken against the offending individual.
- 10.2 In Divisions U10 through U16 only, each year a coach may designate one player from their team that best exemplifies good sportsmanship throughout the season. The Region shall provide a "Sportsmanship Award" which will be presented to this player.

differential does not exceed 5 goals at any time during the game. Disregard may result in disciplinary action being taken against the coach (see Section 21.0).

11.0 COMPETITION
